

# AUIS TRANSPORTATION PROGRAM

The Private Transportation Program is designed to meet the basic transportation needs of students, staff and faculty. Comfortable, air-conditioned vehicles provide the following services:

**School Bus:** riders meet the bus at pre-designated points according to a regular schedule. The bus runs 4 times per day on weekdays, arriving at school in time for 1st and 2nd periods in the morning and dropping riders home after 3rd and 4th periods.

**Pickup points (bus stops)** are set at the beginning of the semester according to where you live, so there will always be a stop within walking distance within our service area.
